Sixth Form College

OPEN EVENING 2024

Director of Sixth Form Talk

What we do...

Provide students with the support needed to fulfil their potential, securing the qualifications, personal skills and experience needed to move onto aspirational destinations.

We are an environment that has the highest expectations and expects students to have the highest expectations for themselves.

Summer 2024

Results

Average A level grade = B

Average Applied General Grade = Distinction

Destinations success

University: 92 applicants. 87 were placed in their first choice university, 5 in their insurance. 0 were unplaced.

Degree level Apprenticeships: Accountancy – EY // Data Analyst – Barclays // Cyber Security – Tekgem // Retail Management – Asda // Harness Design – Leoni Group.

Sharing the journey of our students

Deciding what to study at sixth form

- 3 subjects (application can include 4)
- Consider prior success, enjoyment and relative importance to career path
- Can be a combination of A levels and Applied General qualifications (BTECs, Cambridge Technicals etc)
- Understanding how these qualifications are assessed is highly useful.

A course that suits you **A6**

3 A level choices

Grade 5 in most subjects including grade 5 in Maths and English

A levels and BTEC's with vocational focus

Art
Applied Science
Business Studies
Computer Science
Criminology
Drama
Health and Social Care
IT
Media
PE
